

Group President's

REPORT

Welcome to the 2020 Insight Report. This year sees the group in its second year of identification as CHRG – a diversified organisation that has grown to represent the epitome of community, hospitality, respect and growth.

I am sure our membership will agree that this year has been one of many challenges. However, with all that we have faced as a nation, the CHRG Board is incredibly proud of the effort of our people, who were guided by Group CEO, Mr. David O'Neil, who have maintained such a positive reaction to the situation we are being faced with. This opportunity is taken to acknowledge the co-operation of our members, and recognise the way in which our internal clubs and their members have assisted in the way we overcome the challenges.

We started 2020 with the completion and subsequent opening of Club Parramatta, and despite its momentary closure, it continues to grow from strength to strength, with wide acceptance by our members and

the broader Parramatta community. I would like to take this opportunity to acknowledge Lord Mayor Dwyer and the Council Officers for their involvement in the Club's development, and for their vision for the City of Parramatta – a vision that we are honoured to be a part of as Parramatta continues to flourish. I also wish to thank Paynter Dixon and note their ongoing involvement as we develop a significant carpark facility adjacent to the new Club, which will service both the needs of the Club and the City of Parramatta.

Since its acquisition, the picturesque Lynwood Country Club in Pitt Town has undergone continual improvements to ensure it serves the needs of our golfing members and the wider Windsor and Hawkesbury communities. Lynwood Country Club and Lynwood Golf was challenged by substantial flooding earlier this year, however due to the dedication and tireless efforts of our people, and the commitment and support of our members, the venue continues to be recognised as a first-class golfing

destination and popular community meeting place.

Since the last President's Report, I am pleased to advise that the development application for Independent Living Units, located adjacent to Castle Hill RSL, was unanimously approved by Sydney Central Planning Committee and Hills Shire Council. The Board wishes to acknowledge the professional relationship with Mayor Byrne, Council and Council Officers, and thank them for their continued support. This will be an exciting development on the site, with future residents able to enjoy convenient access to all the amenities that Castle Hill offers.

Whether our members visit our venues to enjoy best-in-class health facilities at Castle Hill Fitness and Aquatic, golf and leisure facilities at Lynwood Country Club, a box office show at Castle Hill RSL, a meal with friends, or a quiet drink in one of our new bars at Castle Hill RSL or Club Parramatta, we'd like to thank you for your continued support and

membership. You are the heartbeat of our communities at Castle Hill RSL, Castle Hill Fitness and Aquatic Centre, Club Parramatta, Lynwood Country Club and Lynwood Golf. Thank you for your continued support.

I would like to take this opportunity to also acknowledge the dedication, commitment and professionalism of my fellow Directors, commitment which is extensive with that of our CEO, management and staff who have done much to contribute to the Group's success.

Finally, best wishes from my fellow Directors, our Management and Staff for Christmas and the New Year.

Warren Glenny AO RFD ED
GROUP PRESIDENT
